1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am not a Duke customer, but I am a South Carolina resident, a Fairfield Electric customer and last but not least an American citizen.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

A 17% increase is criminal with a \$400 million dollar profit. This is just another example of everything that is wrong with corporate American greed. Duke electric should be ashamed. We are held at hostage by the utilities and this type of extortion must be stopped.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

I don't think that I would be applicable as I am not a Duke customer.
